

Directions

We are located at One Thompson Square, Suite 503, Boston, (Charlestown), MA. Our phone number is (617) 374-8800.

From 93 South, take Exit 28 toward Sullivan Square/Charlestown. At the rotary in Sullivan Square, take the second exit (right after you go under the bridge) onto Bunker Hill Street. Take your first right onto Main Street (you will have just passed the Schrafft Building on your left). Follow Main Street for half a mile through the center of town, past Tedeschi's on the right. The five-story gothic-style building with black awnings across from Tedeschi's is One Thompson Square. Because the road is one way, you will need to continue past Tedeschi's and take a left turn onto Monument Street and then a left turn onto Main Street to end up in front of the building. We are located on the fifth floor in Suite 503. Upon entering the door, turn left into the next doorway for reception.

From 93 North, take Exit 23 for Aquarium toward Quincy Market. Keep right at the fork and follow signs for North End/North Station. Turn left onto Cross Street. Take a slight right to stay on Cross Street. Take a slight right onto North Washington Street. Turn right onto Chelsea Street. Take the first left onto Warren Street and look for the five-story gothic-style building with black awnings on your right. We are located on the fifth floor in Suite 503.

From Public Transportation, take the Orange Line to Community College Station. We are about a 10-minute walk. Reach us by walking towards Charlestown on Austin Street. Walk past the 99 Restaurant (on your left) to the next intersection with a traffic light. At the light, cross to the other side of the intersection and turn right onto Warren Street. The five-story gothic-style building with black awnings across from Tedeschi's is One Thompson Square. We are located on the fifth floor in Suite 503.

Parking and Elevator Access

Two-hour parking is available on Main Street or Warren Street. Additional two-hour parking is available by following Monument Avenue up to the Bunker Hill Monument where there is parking around the perimeter of the park. If there is absolutely no street parking, please call the office, and we will offer an additional parking option.

To gain access to the elevator, use the black door on the far-left side of the building to the left of Starbuck's and to the right of Two Thompson Square (Coldwell Banker). LaVoie is located on the fifth floor. Walk around the stairs and look for the LaVoieHealthScience sign. Upon entering the door, turn left into the next doorway for reception.
